

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

CLAIMS

I claim:

1. A pet bed comprising:

a) a generally flat center section, having an open front area, a top, and a bottom;

b) a pair of formed side arms; and

c) a raised back portion;

d) wherein each of said pair of formed side arms includes a front portion having a compound angle wherein the front portion extends rearward from said open front area at a first angle α , and simultaneously rising upward from said open front area at a second angle β , and further wherein each of said pair of side arms has a curved recessed portion, formed between said front portion of said side arm and said raised back portion of said bed.

2. The pet bed of claim 1 further comprising a honeycomb support system formed in the bottom of the generally flat center section.

3. The pet bed of claim 3 wherein the honeycomb support system comprises:

a) a plurality of hexagonal sections;

b) a plurality of pentagonal sections; and

c) a plurality parallelogram shaped sections.

4. The pet bed of claim 1 further comprising a sculpted area formed in the top of the generally flat center section.

5. The pet bed of claim 4 wherein sculpted area has a formed shape.

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

1 6. The pet bed of claim 5 wherein the formed shape is shaped like a pair of dog
2 bone type biscuits.

3 7. The pet bed of claim 4 wherein the sculpted area further comprises:

4 a) a perimeter groove; and

5 b) a center portion within said perimeter groove.

6 8. The pet bed of claim 7 wherein the sculpted area further comprises: a plurality
7 of formed grooves formed in the center portion of said sculpted area;

8 9. The pet bed of claim 1 wherein the pet bed is made of closed cell foam.

9 10. The pet bed of claim 1 wherein the pet bed is formed in a mold.

10 11. The pet bed of claim 1 wherein a first angle α is between about 15 and 30
11 degrees.

12 12. The pet bed of claim 1 wherein second angle β is between about 30 and 50
13 degrees.

14 13. The pet bed of claim 1 wherein a first angle α is 22 degrees.

15 14. The pet bed of claim 1 wherein second angle β is 45 degrees.

16 15. The pet bed of claim 1 wherein the pet bed is made of visco-elastic foam.

17 16. The pet bed of claim 1 wherein the pet bed further comprises a vinyl coating
18 adhered to said pet bed.

19 17. The pet bed of claim 16 wherein the vinyl coating is sprayed onto said pet
20 bed.

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

1 18. The pet bed of claim 1 wherein the pet bed further comprises a soft plastic
2 coating adhered to said pet bed.

3 19. The pet bed of claim 18 wherein the soft plastic coating is sprayed onto said
4 pet bed.
